# *The 1972 Bulldog*

*La Pryor I. S. D.*
*La Pryor, Texas*

*Now Is The Time . . .*

# *Now Is The Time To Remember*

Because of the life he lived, and the example he set for all those with whom he came in contact, it is our privilege to Dedicate THE 1972 BULLDOG TO THE MEMORY OF:

## *Mr. Jack Youngblood*

As a leader in the community, these were the ideals by which Mr. Youngblood lived. May we strive to live by these same ideals, thereby helping to make our nation and community a better place in which to live.

"When you step out upon the threshold of life, take a moment to look for your guiding light. Many of you stepping out upon the threshold and taking a long look will see your guiding light due ahead. You will embark upon this path and you will find it is the so called straight and narrow. It has many perpendicular ascents and steep descents and there are pitfalls and stumbling blocks and the path is slow and demanding, but the results of your efforts are pleasing and rewarding. After many years of toil, you stop to look for your guiding light. It is still there. It has not grown dim– but brighter.

It is the light of knowlege where through study and research many things become known.

It is the light of understanding where through years of experience you come to understand the many problems that have confronted you.

It is the light of brotherhood where you learn to love thy neighbor and do unto him as you wish he should do unto you.

It is the light of truth where you learn early in life what is right or wrong.

It is also the light of salvation where upon the Final Day, you will be judged by your actions on this earth.

May this be your guiding light and may God bless each of you."*

HE IS NOT DEAD

You cannot say, and you must not say
That he is dead. He is just away.
With a cheery smile, and a wave of the hand,
He has wandered into an unknown land
And left us dreaming how very fair
It needs must be, since he lingers there.
And we—Oh, we, who the wildest yearn
For an old-time step, and the glad return,
Think of him faring on, as dear
In the love of There and the love of Here.
Think of him still as the same . . . and say
He is not dead—he is just away.

James Whitcomb Riley
